WHY GO McCOY?

We are the ONLY motor coach carrier licensed to pick up charter groups anywhere in the province of Ontario. Our buses are maintained in our own licensed repair facility by our factory trained technicians which ensures our vehicles are always repaired to the highest quality standard. Our buses are equipped with additional safety equipment, such as satellite GPS tracking systems, tire temperature and pressure monitors. We also carry liability insurance coverage that exceeds the provincial requirements and are licensed by the Ontario Highway Transport Board. Our drivers have additional training in areas such as accident avoidance, defensive driving techniques, and fatigue awareness. Every bus driver is randomly tested for drug and alcohol use. Food and drinks are welcome aboard all buses because we have full time bus washers who are dedicated to maintaining the cleanliness of our fleet.

ATTENTION EDUCATORS

When it comes to transporting school groups, all McCoy drivers are specially licensed to transport students on school-purpose trips which includes them passing a police background check.

Ask about our Discounted School Rates on all charter services for your school bookings!

McCoy has discounted rates on Ski Trips to popular hills like: Calabogie, Devil's Elbow, Blue Mountain, Edelweiss, Pakenham, Tremblant, Mount Ste. Anne, Mount Ste. Marie & more.

ATTENTION SPORTS COACHES

Book your team's transportation for the season with us and take advantage of discounted rates. We work with 40+ sports teams every year and know what it takes to bring home the gold!

McCoy Price Match Guarantee*
 *McCoy Bus Service will match any competitor's price for transportation in similar equipment. Subject to availability. Conditions and or restrictions may apply.
